

There are two main ways from [Incheon Int'l Airport](#) to the Hotel ICC:

1) Direct Airport Limousine bus to Daejeon

2) Airport subway (AREX) with bullet train (KTX) transfer at Seoul Station

The most convenient way to get from Incheon Airport to Hotel ICC is to use a direct airport limousine bus to Daejeon, and we strongly recommend this method.

1) Airport Limousine Bus

It Costs roughly KRW 23,000 or KRW 24,300 for deluxe.

Buy tickets for "Daejeon" and confirm tickets do not say "Daejeon S.W." as the route is slightly different.

Buses come every 20 ~ 40 minutes and the ride takes 180 ~ 200 minutes to arrive at Daejeon.

The first bus is at 6 AM and the last bus is at 11:30 PM.

The bus has three stops in Daejeon: Daedeok Culture Center(Doryong), Daejeon Government Complex (Jeongbu Chongsa), and Daejeon Dongbu Terminal.

Get off at Daedeok Culture Center(Doryong) and take a taxi to ICC Hotel. The distance is 2.2 km, driving time is 5 minutes, and the fare is around KRW 2,900.

If you miss the first stop, get off at Daejeon Government Complex (Jeongbu Chongsa) and take a taxi to Hotel ICC. The distance is within a 1.7 km taxi ride.

To avoid any potential confusion with a taxi driver, we recommend you say "hello" in Korean when entering the taxi (Ann-young-ha-say-oh) and then show them this note in Korean stating you wish to visit Hotel ICC.

2) KTX (① Incheon Airport > Seoul Station, ② Seoul Station > Daejeon Station)

(Each travel takes about 50 min. Using this option is faster but you need to transfer at Seoul. And the Daejeon station is further away from ICC/conference site than Daejeon Gov. Complex.)

- Taxi : If you use a taxi from Incheon airport to Seoul station, it will take about an hour (depends on traffic) and cost around 50,000 KRW. There is a black taxi, called a luxury taxi, which is about 40% more expensive than a normal taxi. You better be careful. Click here to reserve a pick-up taxi service with an English speaking driver. It is a bit expensive but still cheaper than the luxury taxi and more convenient. [Click here](#) to book a international taxi.

*There is one more KTX station which is a little closer, Gwangmyeong station. It will take about 40 min and cost 45,000. It is a rough estimation, it can vary with traffic and driver.

② Seoul Station > Daejeon Station
